15. INSURANCE DETAILS

There were no changes in this paragraph, but we want to put it in this Bulletin also, because of its' importance.

15.1. COVID-19 INFORMATION

Together with the FAI and ISC, the organizers have developed a detailed protocol of action to prevent the spread of COVID-19 called the "ANTICOVID GUIDELINE". We have considered in this document the most basic points, the observance of which should become mandatory for all participants of Mondial 2020.

The Guideline has been accepted by the ISC Bureau.

You will find the following items there:

- Basic principles: what should every participant do to prevent the spread of COVID-19
- Your journey instruction: what not to forget before, during and after traveling to Russia
- What the Mondial Organizers do: what measures the organizers will take to minimize risks
- PCR-tests and vaccination: how often will the tests be taken and recommendations for those who have not been vaccinated yet

The complete document can be found in the appendix to this Bulletin #2. Link for the ANTICOVID GUIDELINE – <https://drive.google.com/file/d/1-HdzKOv7sdrQw8XkXLev6FiBEuAqjznZ/view?usp=sharing>
